- Always lock your bike to something solid like a lamp-post or railings When you trade-in through Gazelle, you get a \$20 one-time use credit to purchase on our store.. and the weather!

- Get your bike frame marked with your postcode and stick on a 'Coded Cycle' sticker to let thieves know.

gazelle bike frame numbers

gazelle bike frame numbers, gazelle bike serial numbers, are gazelle bikes good

- Record all your bike's details so that if your bike is stolen and then recovered, we will be able to match it to the description.

are gazelle bikes good

From West Yorks police dept • Always lock them whenever you leave them, even if you just going to be a few moments.. • Get a 'recorded cycle' form from your local police station or bicycle dealer and take a photograph.

- Mark the frame with your postcode This will help us to get it back to you if we find it - we have thousands of unclaimed unidentified bicycles..
- The best kind of bicycle locks are made of a loop of solid metal Chains deter casual thieves but can be easily cut with the right equipment.. Our Story Join Gazelle Press & Media If you have a quick release wheels, take off the front wheel and lock it to the frame and back wheel.. An increasing number of bus and railway stations in West Yorkshire have secure 'sheds' where you can lock your cycle, safe from crime. e10c415e6f
